

With the ongoing uncertainty of Covid restrictions, the committee decided to deliver the 2021 Festival as a series of events across November and December. These events still offer targeted support for our local businesses and community and provide better flexibility so that we can keep our neighbourhood safe. Fingers crossed we can return to the traditional street festival next year!

Festive Lights

13th November through to January 2022

See Sherwood High Street lit up with fairy lights and community Christmas tree.
